Matthew's Center is pleased to announce that Myca E. Gray, M.Ed. will be the new Executive Director effective July 23, 2018.

Myca comes to Matthew's Center from Prince William County, where she most recently served as an Administrative Coordinator in the Office of Special Education. She has had a very successful career as a teacher of students who require special education and has held several leadership positions to include Principal at Saunders Middle School in Manassas and Assistant Principal at Gar-Field High School in Woodbridge. Her love for students started at an early age when she began volunteering for the ARC of

Northern Virginia and has continued to this day supporting students, families and school personnel.

Myca's leadership has made a lasting impact on the staff and students wherever she has served, and she looks forward to continuing her transformative leadership at Matthew's Center.
